Dear Moss Point School District Parents and Students,

It is that time again for student handbook revisions. We are asking for any input that you or your child have concerning the student handbook. Please use the attached form (feel free to make additional copies as needed) and give us any input regarding student handbook changes. Also, make sure you mark the appropriate blank, sign and return to your school / your child's school by Friday, March 1, 2019. If you do not have any input, please make sure that you mark the appropriate blank, sign and return to your school / your child's school as well.

We will now have the proposed handbook revision form available online. Please look for the link, <https://goo.gl/forms/FMAo726VcG3D9NyD3>, on our school district website, www.mpsdnow.org, on our Facebook Page Tiger Nation or use the QR Code below to access form.

To use the QR Code you will have to go to your phones appstore and search for QR Scanner then download.

All students must have a signed form on file indicating that you and your child have been given a chance to give input regarding the student handbook.

Thank you for all your help and support for the Moss Point School District.
