The Governing Board is seeking qualified, interested individuals to fill vacant positions to serve on a committee of community members, which will serve as the independent Measure V Bond Citizens' Oversight Committee (COC) for the principal purpose of informing the public concerning the use of bond proceeds from the District's Measure V Bond Program.

The Committee will include a minimum of eleven (11) members. California Law requires certain persons to be represented on the Committee. Of the eleven (11) members, the District is looking to fill two positions; one (1) at-large representative and one (1) parent/guardian who is also active in a parent-teacher organization or school site council.

The COC shall actively review and report, to the public, on the expenditure(s) of bond fund for school construction and technology improvements based on the list of projects included in the Measure V bond measure as well as receive and review annual independent performance and financial audits.

Committee responsibilities are outlined in California Education Code Section 15278(b) and the District's Citizens' Oversight Committee Policies and Regulations and include:

- Inform the public concerning the District's expenditure of Measure V bond proceeds;
- Review expenditure reports produced by the District to help ensure that Measure V bond proceeds were expended only for the school facilities and improvement projects authorized by Measure V;
- Present to the Board, in public session, an annual written report outlining the Committee's activities and conclusions regarding the expenditure of Measure V bond proceeds.

All appointments to the Committee will be made by the Board based on completed COC applications submitted to the District. District staff will review all COC member applications and provide recommendations on appointments to the Committee to the Board. Each appointed COC member shall serve a term of two (2) years, commencing as of the date of the appointment by the Board. No COC member may serve more than two (2) consecutive terms.

If you wish to serve on the District's Measure V Citizens' Oversight Committee, please upload and print the application, found on the LEUSD website at [www.leusd.k12.ca.us](http://www.leusd.k12.ca.us) and submit to the following address:
