

College of Engineering

TENNESSEE TECH

ENGINEERING SUMMER CAMP

Explorations in Engineering and Computing July 7-13, 2019

- Get to know the many careers in engineering, computing and technology
- Experience hands-on projects with Tennessee Tech professors and students
- Live in a residence hall, experience campus life
- Get the inside story on available majors and financial support
- Meet many successful graduates and get career advice
- Participate in fun activities with your team
- Rising high school seniors are eligible to participate in the week-long experience

Learn about specific engineering disciplines, the interdisciplinary nature of engineering and computing, and the impact of research.

- Chemical Engineering
- Civil and Environmental Engineering
- Computer Science
- Electrical and Computer Engineering
- General and Basic Engineering
- Manufacturing and Engineering Technology
- Mechanical Engineering
