March 12, 2020

Dear Parent or Guardian,

Based on new Information from the CDC and the Governor of the State of Arkansas, the Ashdown School District wants to make sure and take every precaution possible to ensure the health of our students, teachers, and parents.

Parent/Teacher Conferences are set for March 17th from 1:00 pm to 6:00 pm, however, we want to offer several different options available to parents who do not wish to meet face to face:

- Report Cards will be sent home.
- Teachers will be available at the school from 1:00 pm to 6:00 pm if a face to face conference is preferred.
- Phone conferences can be scheduled by calling the office on each campus to set up a time.
- Email is available, and you can find these email addresses listed on the Ashdown School District Website.

We are working to take every preventative measure possible as we receive more information from the Center for Disease Control, the Governor, the Arkansas Department of Health, and the Arkansas Department of Education. Thank you for your patience and support of our schools.

Sincerely,

Casey Nichols
Superintendent
Ashdown School District
