

MISSION & SPIRITUALITY

Rooted in the mission of Jesus, we are committed as one CSJ family to live and work with inclusive love to bring about unity and reconciliation of all creation and all people with God and with one another.

**—Education Mission of
The Sisters of St. Joseph**

Established in 1949 in Hempstead, New York by the Congregation of the Sisters of St. Joseph of Brentwood, New York, Sacred Heart Academy is a Catholic college-preparatory school whose singular purpose is to educate young women who have strong academic and leadership potential. Sacred Heart Academy empowers young women to make a difference in their communities, professions, the Church and the global world. Students are empowered by academic excellence, which are both an expectation and an aspiration.

Rooted in the Gospel of Jesus and steeped in the tradition and spirituality of the Sisters of St. Joseph, the mission of Sacred Heart Academy is to live and witness reconciliation, unity, justice, peace and God's inclusive love. Sacred Heart Academy strives through the highest academic and spiritual standards to prepare, empower, impassion and inspire women leaders who are mindful of the call to work for justice and peace in an increasingly interdependent and connected global community. Passionate and purposeful love of learning is fostered in an environment that is both challenging and nurturing. In an atmosphere of Hospitality,

Excellence, Accountability, Respect and Trust, those entrusted to the care of Sacred Heart Academy are encouraged always to "lead with heart."

SPIRITUALITY

We take time as a community to nurture a spiritual life that fosters courage, compassion and commitment and enables us to live out our mission.

- Each day begins with a prayer and a reflection on our mission statement.
- Theology classes often include guided meditations, Scripture readings and prayers for special intentions.
- An intimate chapel serves as a beautiful respite for private and communal prayer. Every Friday, Liturgy is held at 7:30 a.m. in the chapel.
- Liturgies are celebrated at the beginning of the school year, Thanksgiving, Christmas, St. Joseph's Day, Graduation and other occasions.
- The Sacrament of Reconciliation is available for each student during the Lenten season.
- During Holy Week, the school community participates in special prayer opportunities, service projects for those in need, a Lenten lunch and presentations commemorating the Life of Christ.
- As part of our spirituality program, all students are expected to attend retreats. Retreat days are opportunities for students to step aside from the normal day to day activities to grow in a deeper relationship

with God and one another. These days include prayer, presentations and liturgy at the Sisters of St. Joseph Renewal Center in Brentwood.

- The young women at Sacred Heart have the opportunity to participate in additional retreats and workshops with students from other CSJ schools.
- Each summer, a group of students participate in Notre Dame Vision at the beautiful campus of Notre Dame University. The days provide an opportunity to explore God's love for us and to discern ways for us to respond using our unique gifts and talents.
- Each summer, students are invited to participate in various spiritual opportunities including the Notre Dame Youth Program, Faith and Service Program at St. John's University, the CSJ It Forward with students of other schools sponsored by the Sisters of St. Joseph, and a nature-based Garden Retreat. Through these experiences, students unfold God's great love, develop leadership skills, and reflect on ways God may be calling them to make a difference in our world.
- Students are encouraged to participate in school Liturgies and prayer services as lectors, altar servers, Eucharistic Ministers and sacristans.

COMMUNITY SERVICE

Students also fulfill a requirement to give at least 20 hours of community service each year with many far exceeding this minimum. This reflects a commitment not only to the values of Sacred Heart but also the values of good citizenship in religious and secular society.

EXTRA-CURRICULAR ACTIVITIES

Sacred Heart Academy provides a rich and varied extra-curricular program which completes the high school experience. Apart from the educational preparation, opportunities for collaboration and development of leadership skills are available through participation in after school activities. Here, young women not only expand and apply their known talents, but also develop new ones. While there are several established after-school clubs, students have often proposed and initiated new clubs to address changing interests of the SHA community.

RED & GOLD

Red and Gold is a fun, competitive and cooperative student-run activity guided by faculty moderators. Senior students are voted into captain positions to select themes, design costumes, and create dance, aerobics, kickline, cheering, and spirit routines that they teach to the underclasswomen on their teams and are performed at Hofstra University. Through hard work and dedication participants enjoy a wonderful bonding experience that develops leadership skills, long-lasting friendships, and pride for school and community. Tryouts and participation are open to all grade levels.

ATHLETICS

Sacred Heart Academy's extensive athletic program fosters personal growth and affords opportunities to start and nurture lasting friendships that reach beyond graduation. With one of the most competitive programs on Long Island, Sacred Heart students learn to cooperate as responsible team members and distinguish themselves with league championships. Tryouts are held throughout the year for seasonal sports.

FINANCIAL AID AND SCHOLARSHIPS

Financial Aid is available to qualifying families of all incoming and current students. A completed financial aid application is required and should be submitted directly to FAIR (Financial Aid Independent Review) along with all necessary supporting documentation. Financial aid amounts are based upon an annual analysis of the family's financial need. Families are required to reapply for financial aid every year to account for changing financial circumstances. An application may be obtained by visiting www.fairapp.com. Applications for financial aid have no bearing on admittance.

The Sacred Heart Alumnae Association Scholarship is a partial need-based scholarship available to an incoming 9th grade student with a Sacred Heart alumna connection. To be considered, applicants are required to list Sacred Heart as the first choice school on the Catholic High School Entrance Exam, have an 85% or above grade point average, complete a FAIR (Financial Aid Independent Review) application and submit three letters of recommendation. The scholarship dollar amount, averaging \$2,000, is determined by the Alumnae Association Scholarship Committee

and is based on demonstrated financial need. The scholarship is renewable for all four years provided the student meets the necessary criteria. Applicants who do not receive the Alumnae Association Scholarship may still be eligible for Financial Aid.

The Dear Neighbor Scholarship is a full tuition need-based scholarship awarded to an 8th grade student with preference to a young woman from the Hempstead/Uniondale/Roosevelt area who displays a desire, along with the academic ability, to succeed and become a contributing member of the Sacred Heart community. To be considered, applicants are required to list Sacred Heart as the first choice school on the Catholic High School Entrance Exam, have an 85% or above grade point average, complete a FAIR (Financial Aid Independent Review) application and submit three letters of recommendation. The scholarship is renewable for all four years provided the student maintains a weighted grade point average of 85% or higher and is an active participant in the school community. Applicants who do not receive the Dear Neighbor Scholarship may still be eligible for Financial Aid.

MERIT AWARDS

Incoming Freshmen Academic Awards are provided to incoming 9th grade students who attain the highest scores on the Catholic High School Entrance Exam and who have listed Sacred Heart as their first choice school. Award notification will be included with the students' acceptance letters in January. The award is renewable on a yearly basis if the student maintains a weighted grade point average of 90% or above at the conclusion of her freshman, sophomore and junior years.

The Academic Excellence Merit Award is provided at the conclusion of each academic year to the freshman, sophomore and junior student with the highest grade point average for the year and who demonstrates outstanding leadership characteristics. The award applies to the following academic year only. In the case of a tie, the award dollar amount will be equally divided. All students are considered and do not have to apply.

To confirm candidature for all Financial Aid and Scholarship opportunities, students are required to complete the following process:

1. Parents/Guardians of Financial Aid and Scholarship candidates are required to complete a FAIR (Financial Aid Independent Review) application and submit their 2017 tax return at www.fairapp.com, by **Friday, November 30, 2018**, without exception.
2. Alumnae Association and Dear Neighbor Scholarship candidates will submit the appropriate application, three letters of recommendation and their parent's 2017 tax return to Sacred Heart Academy by **Friday, November 30, 2018**, without exception.
3. Award notifications for Financial Aid and Scholarships will be mailed on **Tuesday, January 8, 2019**.
4. To maintain Financial Aid and/or Scholarships, parents/guardians of candidates are required to submit their 2018 tax return to Sacred Heart Academy's Finance Office by **Wednesday, May 1, 2019**, without exception.

ACCREDITATIONS

- Accredited by the Middle States Association of Colleges and Schools
- Chartered by New York State Board of Regents
- Nationally Recognized School of Excellence

ADMISSIONS PROCESS

- Acceptance is based on scores achieved on the CHSEE or TACHS exams; Sacred Heart Academy must be listed as 1st, 2nd, or 3rd choice.
- Consideration for academic scholarships is given to the top students on these exams who put Sacred Heart as their 1st choice.
- Copies of academic records from 7th grade, and the first report card for 8th grade should be mailed to the attention of Ms. Mary White by mid-December.
- Without exception, proof of immunization is required at registration.

SHADOWING

Middle school students are welcome to spend the day at Sacred Heart Academy accompanying a freshman or sophomore. Eighth graders may visit September–January, and seventh graders February–March. **To make an appointment, call** (516) 483-7383 ext. 0 or visit www.sacredheartacademyli.org/SHAdowing/.

RANK IN CLASS

Since our students are best evaluated through a review of their individual academic and personal accomplishments, Sacred Heart Academy does not use a ranking system.

LANGUAGE PLACEMENT

Italian, French and Spanish are offered with senior electives in Conversational Italian and Foreign Film Studies. Incoming freshmen wishing to continue at Level 2 of the language they are currently taking are required to have a minimum 5 hours seat time per week and are asked to take the NYS FLACS (Checkpoint A) exam in June at their district.

SCIENCE RESEARCH PROGRAM

Conducted within a state-of-the-art science research center, this program is directed to students who have a keen interest in science, pursuing excellence and progressing into areas of original research. Students are highly motivated and are able to work independently. Students interested in the Science Research Program at SHA are required to sit for a Science Research Exam.

GUIDANCE COUNSELING

Every young woman is assigned a full-time school counselor who will be with her for four years. Guidance Counselors are available to discuss academic progress, social, family and personal issues as well as conduct small groups to address academic and personal growth topics.

PERSONAL ATTENTION

Small class sizes guarantee extensive personal attention to each student. Each academic discipline has a department center where enrichment materials are available and where students have the opportunity to work collaboratively. Our dedicated faculty freely offers time to help students before and after school.

Starting with freshman year, each class is guided by a Dean of Students who will remain with the class for all four years.

HONORS PROGRAM

Honors level courses are offered in most subjects. Incoming freshmen may qualify for honors courses in English, Social Studies and Living Environment according to their scores on the 8th grade CHSEE or TACHS exams. All students have the opportunity to be placed in any honors class when they achieve the required grade and

teacher recommendation from sophomore year on. Honors classes receive a 1.1 grade factor at the end of the school year which is computed into the final average.

ADVANCED PLACEMENT PROGRAM

- Art
- Biology
- Calculus AB
- Chemistry
- Computer Science
- English Language
- English Literature
- Environment
- Italian Language
- Music Theory
- Physics I, II
- Psychology
- Spanish Language
- US History
- World History

Most AP students score above the national average, with a number designated as AP Scholar. AP courses receive a 1.1 grade factor at the end of the school year which is computed into the final average.

HONOR ROLLS

Principal's List: Average of 95-100%, no final grade in a major subject below 90%.

First Honors: Average of 90-94%, no final grade in a major subject below 85%.

Second Honors: Average of 85-89%, no final grade in a major subject below 75%.

NATIONAL HONOR SOCIETY MEMBERSHIP

Membership in the National Honor Society Regina Cordium Chapter is awarded to juniors and seniors based upon excellence, scholarship, leadership, service and character. Additional criteria can be found in the SHA handbook.

TRANSPORTATION

Individual districts provide bus service; some do not provide a late bus. Queen's students are issued Metrocards for travel in Queens only. Students out of district bus zones are offered LIRR discounted travel tickets.

CURRICULUM 2018–19

The curriculum at Sacred Heart Academy combines two complimentary strands of course offerings. Each strand includes courses that are basic to a classical, college-preparatory education, as well as those that are relevant and current for our students as they face a digital and globally focused world culture and job market. We refer to these two strands as **STEAM** (*Science, Technology, Engineering, Art, and Math*) and **STELLAR** (*Social Science, Theology, English Lang/Lit, (World) Languages, Law & Business, the Arts, and Research in Humanities*). By providing our young women with opportunities for study in both strands, we equip them with a strong faith and the knowledge, skills, and sensitivities that will enable them to make a valuable contribution to the society in which they will find themselves.
