Vicky Lagos Named the Seventh Commissioner of the CIF Los Angeles City Section

January 15, 2019

GRANADA HILLS, Calif. – The Executive Committee of the CIF Los Angeles City Section has selected Vicky Lagos as the next Commissioner of the CIF Los Angeles City Section. She will replace outgoing Commissioner John Aguirre who is retiring at the end of the school year.

Since its inception on May 25, 1935, there have been six commissioners representing the State’s fifth largest Section:

<i>1935-1958</i>	<i>William Lopez</i>
<i>1958-1972</i>	<i>Guy Wrinkle</i>
<i>1972-1986</i>	<i>Jim Cheffers</i>
<i>1986-1993</i>	<i>Hal Harkness</i>
<i>1993-2013</i>	<i>Barbara Fiege</i>
<i>2013-Present</i>	<i>John Aguirre</i>

Lagos has served as Assistant Commissioner for the CIF LA City Section for the past five-and-a-half years. Prior to the Section separating from LAUSD on July 1, 2013, to form its own non-profit organization, she worked in the LAUSD interscholastic office as an athletics specialist for six years. Her experience in education-based athletics and vast knowledge of Section bylaws will be a strength moving forward as the CIF LA City Section celebrates its 84th anniversary in the spring.

“It is with great pride and pleasure that I acknowledge the selection of Vicky Lagos as my successor as the Los Angeles City Section Commissioner,” Commissioner John Aguirre said. “We have worked side-by-side for 12 years and I am confident of Vicky’s ability to lead the Section into the next decade. I compliment the Executive Committee for their thorough evaluation and interview process and I leave knowing the Section is in good hands.”

Lagos will begin serving as Commissioner effective July 1, 2019.

About the CIF Los Angeles City Section

CIF Los Angeles City Section is the governing body of high school sports for more than 152 schools in the Los Angeles area. The Section holds Championship events in 19 varsity sports and is committed to providing quality support services in a respectful and gracious manner. We aim to enhance member high schools’ abilities to manage interscholastic athletic programs.
