Principal's Message:

Hello Team Success Families,

I couldn't help but think about this year and all the work that the teachers, students, and parents have been doing to get ready for not only the upcoming statewide assessments but also for the end of the school year. I want to thank everyone who has contributed to all of our students' accomplishments and to the parents who are willing to do anything for their children's education. I want to encourage everyone to continue to work together so we finish strong!

Saturday school this month will be April 6, 13, and 27. Parents, please make sure that students attend school, including Saturday school for the extra instructional time to prepare for their assessments.

Our students from 4-10th grade will be taking their writing assessments starting April 2 -5. Our third-grade students will begin reading assessment April 3-4. Please make sure that your sons and daughters rest the night before their tests so they may perform at their very best.

As always, please contact me with any questions or concerns.

Sincerely, Mr. Viota

How can I get involved?

Parents, you can influence the success of your student in school more than any teacher or federal program. By becoming an active participant in the Title I parent involvement plan at your school, you will:

- Serve as a role model, showing your student that you support his/her education.
- Assure that you are aware of your student's educational progress; thereby demonstrating how important that progress is to you.
- Teach your student that your input at the school is appreciated and that you support its efforts.

Important Dates:

- April 2: Writing Assessment 4,5,6 and 9 grade students
- April 3-4: FSA Reading for 3 grade students
- April 3: Writing Assessment 8 grade students
