

TRITON WEEKLY

Athlos Academy of Jefferson Parish
October 2018 Edition # 4

Dear Athlos Family,

We have been in school for almost nine weeks and in that time, we have been able to observe, reflect, and adapt procedures in order to continue to create a wholesome environment for our students and families.

Beginning this week, each grade level will send home a newsletter to inform parents on what is happening in school each week. We ask that you take the time to read the newsletter and share news with your scholar(s).

We will be introducing the Hero System, which will track PBIS. You will receive your login information by October 22nd so you can keep track with your scholar's points.

Lastly, we want to thank you for your constant feedback and support. 2nd quarter will be even better.
