Great News From Nampa High School

March 2018

NAMPA HIGH SCHOOL NEWSLETTER

ISSUE #7

NHS CARE & SHARE PANTRY

Nampa High is excited that our pantry is now open for students. Students can access items such as food, clothing, hygiene products, and school supplies at no cost to them. Our school has partnered with several community organizations and received generous donations to stock our pantry. Students can complete a completely anonymous request for items they may need. The request slips can be found outside the cafeteria on the wall by the Bulldog Pro Shop and in the library. For more information, please contact your school counselor or social worker.

With the help of some great students, faculty, staff and community members, the NHS Care and Share Pantry has been a great success. A special thanks to Mr. Tony LaFord and his students who do laundry services for donated items. Their daily efforts have been a huge help and are greatly appreciated.

If you are wondering how you can help, we are specifically looking for donations for **feminine hygiene products** and gently used **prom dresses** as soon as possible. So clean out your closets or add some extra items to your cart your next shopping trip and drop them off to the NHS front office during normal business hours. Thank you!

Attendance Reminder

Remember our attendance motto from the February newsletter:

Get up,
dress up,
show up &
never give up

Please don't forget the importance of being in school each day. We understand that appointments are necessary at times, but please try to keep them to a minimum and during non-school times if at all possible. Also, please give our attendance office at least an hour notice if you need to check your student out for any reason.
