

TOP 4 REASONS TO MAKE SLZUSD YOUR DISTRICT OF CHOICE

Continuous Learning

An Array of Afterschool Enrichment Programs: More than \$1 million invested in clubs, sports and enrichment activities for K-12 students.

Robust K-12 Science focus on the Next Generation Science Standards.

24/7 access to online resources including hundreds of Google Apps, Office 365, BrainPop, Learn 360, and Newsela

Wall-to-wall Small Learning Communities with rich opportunities in career technical education and work-based learning opportunities: Bay Area Digital Arts (BADA); East Bay Arts High School; Future Leaders for Social Change; Green Engineering Technology; Law, Leadership and Culture; Tech Links; Health and Medicine; Transportation, Engineering and Design (TREND)

Staff: Deep investment in professional development and instructional coaching for teachers to ensure effective implementation of Common Core.

Families: A breadth of parent engagement opportunities at all school sites, at the Adult School, supported by three parent liaisons.

Growth

Growth Mindset: We cultivate safe learning environments that ensure equitable opportunities and outcomes for ALL students.

Test Score Improvement: Recent test scores show SLZ as one of the most improved districts in the county.

Intervention: A strong intervention program for struggling students including: counseling services, tutoring, independent study and summer school.

Culture

Instructional Technology: There are 160 Project LEAN In classrooms with 1:1 devices and computer labs and shared carts throughout the District. Increased tech and teacher support.

Class-size Reduction: We now boast class size average of less than 20 in Transitional Kindergarten and Kindergarten across the district, and less than 24 in grades TK-third.

Restorative Practices: A strong commitment to culture and climate. Each school has trained restorative leaders.

Fiscally responsible, transparent and accountable. **Equity driven** resource allocation.

Community

Deep Community Roots: Educating students for success since 1859.

The Regional Occupational Center services more than 1,000 students with hands-on experience offered in arts, media entertainment, building and construction, child development, transportation, health science and medical technology, and business and finance.

Strong Community Partnerships with the REACH Center, Alameda Library System, Deputy Sheriffs Athletics League, Eden Area Chamber of Commerce, Chabot College, the Career Pathways Trust and Resources for Community Development.
