SUBJECT: **APPROVAL TO PURCHASE AUDIO/VIDEO, TELECOMMUNICATIONS, AND SECURITY EQUIPMENT, SUPPLIES, AND SERVICES, FROM DIGITAL NETWORKS GROUP, INC. VIA CMAS (CALIFORNIA MULTIPLE AWARD SCHEDULES) CONTRACTS**

---

**BACKGROUND INFORMATION**

The Buena Park School District purchases various technology equipment and supplies, including, but not limited to audio/video systems and related equipment and supplies such as projectors and TVs for the District schools.

**CURRENT CONSIDERATIONS**

The District has determined that the audio/video systems and related equipment and supplies required by the District can be provided by a qualified firm that has been awarded contracts by the California Department of General Services (DGS) through the California Multiple Award Schedules (CMAS) program. School districts can participate in the California Multiple Award Schedules (CMAS) program for the acquisition of information technology goods and services pursuant to Public Contract Code sections 10298, 10299 and 12100, et al. In order to utilize a CMAS contract, the District must make a finding that it is in the best interest of the District to purchase such supplies, equipment, software and services through usage of a CMAS contract. This will ensure compliance with the competitive bid process and also ensure that the District takes advantage of the lowest negotiated costs. Digital Networks Group, Inc., has been awarded CMAS contracts by the DGS as follow:

CMAS Contract Number	CMAS Contract Term
3-18-70-2070M	10/16/18—03/09/19

The District staff has determined that Digital Networks Group, Inc., has what are necessary to meet the needs of the District and finds that it is in the best interest of the District to utilize the California Multiple Award Schedules (CMAS) contracts awarded to Digital Networks Group, Inc. Digital Networks Group, Inc., has agreed to offer to the District additional savings off the CMAS pricing on their contract.

**FINANCIAL IMPLICATIONS**

Total funding will be paid from the General Fund as well as other funds available for use by the District.

**STAFF RECOMMENDATION**

It is recommended that the Buena Park School District Governing Board give approval to purchase audio/video systems (inclusive of associated installation costs) and related equipment and supplies from Digital Networks Group, Inc., via the listed CMAS contracts.
