School Accountability Report Card

Reported Using Data from the 2017-18 School Year

Published During 2018-19

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2018-19)

Peggy Heller School is one of eight elementary schools in the Atwater Elementary School District. It is the newest school with its doors first opening in August 1995.

At Peggy Heller School, students, staff, and community members are actively involved in learning. We have a high quality instructional program, which is continually monitored and improved. Our staff is dedicated to meeting the needs of students and helping them to meet grade level standards. The team continues to grow professionally through collaboration, reflecting upon their practices, keeping abreast of current educational research, and sharing areas of expertise. Our parent groups on campus are active and continually seek opportunities to improve our school and provide experiences for our students.

The mission of Peggy Heller School:

Peggy Heller School promotes a safe, academically challenging atmosphere through Smart choices, Organization, Attitude, and Respect and Responsibility (S.O.A.R.).
Every Student, Every Classroom, Every Day!

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials

School Facility Conditions and Planned Improvements (Most Recent Year)

Peggy Heller School is comprised of 30 classrooms, a library, auditorium, kitchen, and office complex. With 21 regular K-6 education classrooms, 2 special day classrooms, 1 intervention room, 5 Junior High classrooms and one science lab

Students are provided a safe, orderly environment in which to learn. Supervision is provided by classroom teachers, campus supervisors, instructional assistants, and administration. Playground equipment is inspected by the custodian on a monthly basis. Emergency drills are practiced regularly.

The custodian, supported by District maintenance personnel, makes needed repairs and improvements. The Peggy Heller School Safety Committee/School Site Council meets regularly and discusses safety concerns.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

School Facility Good Repair Status (Most Recent Year) Year and month of the most recent FIT report: 11/14/2018

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
English Language Arts/Literacy (grades 3-8 and 11)	61.0	57.0	48.0	47.0	48.0	50.0
Mathematics (grades 3-8 and 11)	41.0	44.0	33.0	35.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2017-18)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	330	329	99.70	56.84
Male	177	176	99.44	52.27
Female	153	153	100.00	62.09
Black or African American	--	--	--	--
American Indian or Alaska Native	--	--	--	--

English Learners	107	107	100.00	52.34
Students with Disabilities	40	40	100.00	20.00
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group
Grades Three through Eight and Grade Eleven (School Year 2017-18)**

English Learners	107	107	100	39.25
Students with Disabilities	40	40	100	5
Foster Youth	--	--	--	--

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Science for All Students
Grades Five, Eight, and Ten**

Subject	Percentage of Students Meeting or Exceeding the State Standard					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
Science (grades 5, 8, and 10)	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2017-18)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	13.6	30.9	49.4

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2018-19)

Parents are encouraged to join the Peggy Heller Parent Club and participate in other school site committees. Input from parents is always valued and welcomed. To learn more about our School Site Council meetings as well as our English Learners Advisory Committee meetings please contact the school office at (209) 357-6517.

Peggy Heller School has a very active Parent Club. They have raised funds for a variety of projects, including: field trips for all grade levels and meeting various needs on campus (technology). Future needs include recess equipment, copyright licensing, and technological support.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School			District			State		
	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18
Suspensions	3.1	2.4	1.5	4.2	5.4	3.8	3.7	3.7	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1	0.1	0.1	0.1

School Safety Plan (School Year 2018-19)

At Peggy Heller School, we believe meaningful learning must occur in a safe, disciplined, and positive environment. To achieve such an environment, a set of expectations for student behavior, attendance, and dress has been established. Student dress code and consequences for inappropriate behavior are outlined in the student handbook/agenda. The rules/expectations are distributed at the beginning of each school year and when a new student enrolls.

Supervision is provided by classroom teachers, campus supervisors, instructional assistants, and the administrative staff. The campus gates are locked when school starts and unlocked at dismissal, keeping the grounds safe from unwanted visitors. All visitors must sign in and enter through the office.

The custodial staff does an excellent job of keeping the grounds clean and safe for students. Playground equipment and facilities are inspected by the custodian on a regular basis. Emergency drills are conducted monthly.

Student and staff safety is addressed in the School Safety Plan and the Emergency Action Plan. The School Site Council/Safety Committee meets regularly to discuss concerns and update the School Safety Plan.

Safety Plan was reviewed and approved on November 13, 2018

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Average Class Size and Class Size Distribution (Elementary)

Grade Level	2015-16				2016-17				2017-18			
	Avg. Class Size	Number of Classes			Avg. Class Size	Number of Classes			Avg. Class Size	Number of Classes

State	N/A	N/A	\$7,125	\$76,046
Percent Difference: School Site and State	N/A	N/A	-29.8	2.8

Note: Cells with N/A values do not require data.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

Types of Services Funded (Fiscal Year 2017-18)

Atwater Elementary School District receives a variety of State and Federal funds that are designed to further support the needs of our students. Funds are allocated on a yearly basis based on student population and needs at each individual site. Listed below are the types of funds AESD receives.

Federal Programs:

- Title I, Part A
- Title III, LEP

State Programs:

- After School Education and Safety (ASES)

General and Categorical funding are strategically used to increase student learning. Categorical funds are used to support goals and action plans in the School Plan for Student Achievement.

Expenses include, but are not limited to, staff professional development, supplemental instructional materials, technology, and extended day learning opportunities for students.

For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Professional Development (Most Recent Three Years)

Teachers participate in grade level collaboration trainings each year. They are also released by substitute teachers to receive additional training during the school year. After school and summer optional trainings are also offered. During the last three school years, teachers have been provided on-going professional development in the areas of: objectives, Depth of Knowledge, class engagement, CAASPP and ELPAC assessments, English Language Development, reading trainings, Illuminate platform for district assessments, and special education. Professional development sessions for teachers this year focused on Next Generation Science Standards (NGSS), Mathematical Mindset and Mathematic Number Talks.

The district has three instructional coaches to help all teachers with ELA, assessments and technology. School sites participate in site specific professional development, based on their data, during weekly Professional Learning Communities (PLC) meetings. All schools participate in grade level academic conferencing pull out days for teachers to discuss student progress, data, and future instruction, based upon the data gathered. In addition, new teachers to the district receive another layer of support with the Induction Program. This includes two days of trainings, after-school trainings, visiting other classrooms in the district with their induction mentor.
