

General Information:

- Please note: The exam schedule is similar to FALL exams.
- Buses will only run their regular morning and afternoon routes.
- Seniors will be testing Tuesday/Wednesday afternoons. Lunch schedule will be flexible for Seniors involved in testing.
- If a student is **exempt** from the morning exam but needs to attend the afternoon review session, they should report to school at 11:30.
- If bus transportation is needed to get to the afternoon review, then the student must ride the bus in the morning, and they will be sent to designated area for study hall from 8:00 – 11:30.
- Attendance:
 - Will be taken in the morning and afternoon during exams and review sessions.
 - Exemptions: The last day attendance can affect a student's exam exemption status is Monday, June 4 for **teacher made** exams. Students not in attendance will be counted absent. If the absence puts the student over 8 absences, they will not receive credit for the course.
 - Students who have earned certification in their **Microsoft Word** or **Microsoft Excel** class by Monday, June 4 are exempt from the exam. Therefore, they will not need to come to school during the exam period or the afternoon review for that class.
 - Students striving for perfect attendance must come on exam days for 1 hour to avoid being marked absent. The student may bring study materials or something to read and report to the Time-Out room.
- NCVPS and EOC credit recovery students please see Mr. DiBonaventura regarding your exam time.
- Remember: **BUSES WILL NOT RUN UNTIL 2:55 EACH DAY.** Students may leave after their exam, provided they have transportation home. However, students not attending afternoon review sessions **WILL** be marked absent. The absence **WILL** count towards the total but **WILL NOT** jeopardize exemption status.

- Friday afternoon, June 8th, all students who need bus transportation will report to the cafeteria after the exam to receive location assignments for the afternoon. Buses will not run until 2:55.
- Make-up exams will be assigned by Mr. DiBonaventura.
