Happy Holidays!

Are you ready to JINGLE?

The Holidays are upon us and we've come to spread some cheer in support of the Hackettstown Foundation for Educational Excellence!

If you wish to spread holiday cheer to others in our community, here's how:

- Make a $5 donation to the Hackettstown Foundation for Educational Excellence. (All money raised will be used to fund educational grants to teachers in Hackettstown School District.)
- For every $5 donated, you can "Jingle" anyone within the Hackettstown Community. (HFEE volunteers can only deliver to addresses in Hackettstown proper and to the schools.) Anyone who is "jingled" will receive a bag of treats delivered to the provided address. Jingles are delivered anonymously and recipients have the opportunity to pay their jingle forward.
- Complete the form below. (Checks should be made out to HFEE.)
- Send your payment (cash or check) and order form (DO NOT STAPLE!) into your child's school or mail/drop off at the Hackettstown School Board offices. (Located at 315 Washington Street.)
