

Quaker Valley School District Fee Schedule

*A surcharge may be charged for all groups in the event of increased utility costs and/or opening an area of the facility not normally opened at the time of event for energy usage. Additional fees may apply for direct or indirect costs to the school district such as plowing of parking areas for an event.

**Custodial & other staff fees: Prevailing rate during the week. By contract, weekends require a minimum of three (3) hours.

All fees to be paid by cashier's check made payable to the school district prior to the event. The school district reserves the right to apply a cancellation fee of \$100.

Traffic: Facility users take sole responsibility and liability for the participant's behavior and parking. Any fines will be recoverable from the organization and/or individual.

The school reserves the right to require bonding prior to usage and this will be used as a deposit to hold reservation.

Classrooms: For security purposes and time of year, use of classrooms may not be permitted.

Technology: Use of school district technology such as projectors, lighting, sound, etc. requires a technician to be present at prevailing rate.

The school district also reserves the right to require users to acquire clearances required for persons who work in a student environment.

In the event of inclement weather, should the user decide to use the fields and there is damage, they will be responsible for the restoration costs. No further use of the fields will be permitted until payment is received.

Superintendent or his designee has the right to reduce or waive fees due to special circumstances.
