Visioning the Future of Mt Adams School District
A Road Map for Continuous School Improvement

Our Mission:
Continuous Student Learning

Our Vision:
We envision building a future by educating and supporting young people in their:
- Character and citizenship development
- Emotional and physical health
- Preparations for adulthood
- Academic growth

This will be accomplished through:
- Effective leadership
- Quality teaching and learning
- Support for system-wide improvement
- Clear and collaborative relationships.

How will we respond when a student experiences difficulty in learning?

What is it we expect each student to learn?

How will we know when each student has learned what is expected?

How will we respond when a student already knows what is expected?
