Learner Profile Focus:

Balanced

I actively work to balance my mind, health, and emotions. I work well in groups, as well as independently. I balance my activities to achieve the best in my life.

Attendance

Our school wide goal is 98% attendance for each month. Along with SJVA recognition, the first grade team will honor students meeting the attendance goal with incentive parties every trimester. Make sure to have your child come to school everyday or complete independent study to be part of the fun!

Independent study packets, when returned, give your student credit for the missed day. You can find the independent study contract at the school office or online (sjva.net/parent-parent-resources-independent-study) Contracts must be requested by the end of the missed day.

Stay Connected

Stay connected by signing up to receive messages through Class Dojo.

While Class Dojo is the most effective way to communicate with us, please remember that our availability is limited during school hours. If your message is time sensitive, contact the front office to guarantee your information is delivered.
