FRANKLIN TOWNE CHARTER HIGH SCHOOL

Sophomores: You may not have thought about this but this is a very important year! You are in your second year at FTCHS and pretty much know how life at Franklin Towne works. We know that you have worked hard to be successful academically and we hope that you have enjoyed the fun activities and events that FTCHS has organized for our students!

As you continue to work hard and make memories, we will also want you to start to think about your future plans. We know that this is exciting but also can cause some nervousness and confusion. Don't worry, you will be working with the Guidance Counselors every step of the way! Together, we will be using Naviance and begin to investigate potential career interest. It is important for you to learn about and explore different career options during your Sophomore year in order to make sure you are on the right track for the remainder of your high school career. We look forward to helping you explore what the future may hold!

SOPHOMORE YEAR SUGGESTIONS:

- Talk to your Counselor, Teachers, Parents and family members about your career interest and your future plans
- Attend the FTCHS Futures Fair!!
- Make sure you are keeping your grades up!
- Think and select courses that you can take at FTCHS they may be beneficial to your future plans
- Remember colleges/career and technical schools are looking at your grades from all 4 years of high school
- Get involved in clubs, activities, sports or a part-time job
- Attend some of the Guidance Star Scheduling Sessions (College/Career/Military Presentations)
- Update your Naviance account with your interests
- Use the resources at FTCHS if you are struggling (Tutoring, Prep Zone, NHS)
- Start looking for scholarships!!!
