Family Online Safety Agreement

Online safety is a partnership. To make sure everyone stays safe and responsible on the Internet, it’s important for kids and adults to agree on the ways that personal devices and technology will be used.

- Be honest and share with me/us what you’re doing online
- Always be kind and polite to others online
- Think before you post a comment, photo or video
- Go online at times that we agree and respect limits

Don’t access inappropriate content or apps
Use security and privacy settings
Tell me/us if you see bad or disturbing content and report it online
Have fun, be creative and explore safely
