

Argyle ISD will no longer be providing paper report cards. The report cards are available to you via Family/Student Access. We have created the following steps to help with logging in.

*Go to the school's website at www.argyleisd.com

Click the **Info & Resources** tab at the top. Once there please click **Family Access** on the left side of the screen.

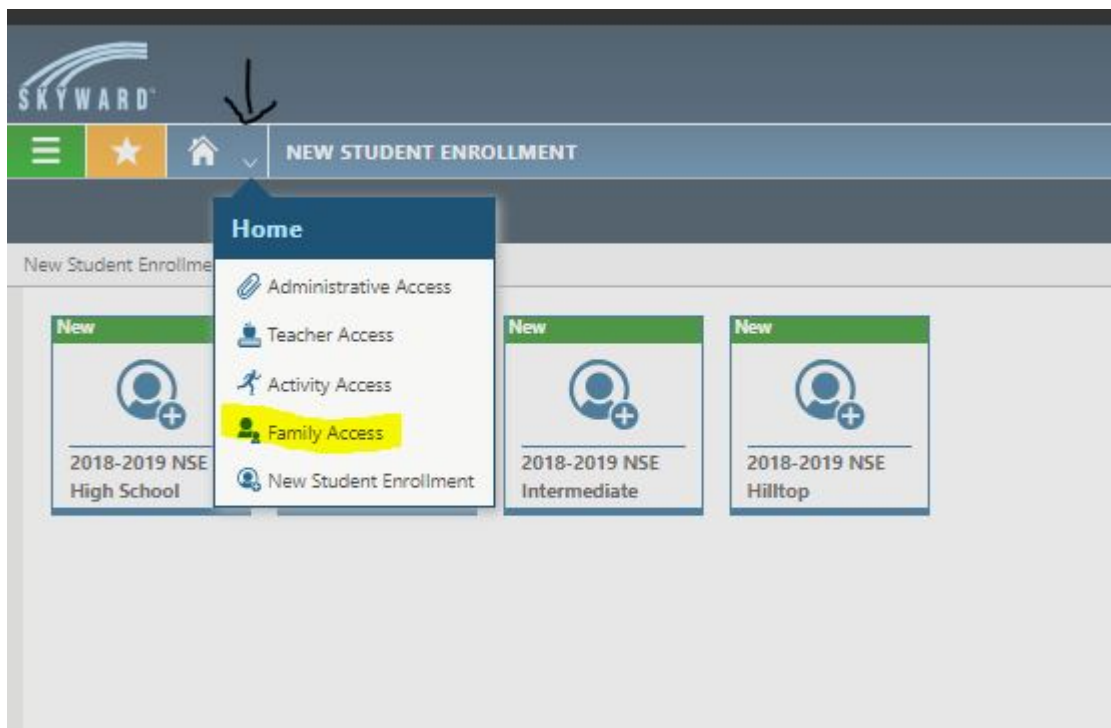

The screenshot shows the website header with the Argyle Independent School District logo and navigation tabs: HOME, DEPARTMENTS, SCHOOLS, INFO & RESOURCES (highlighted), and STAFF RESOURCES. A search bar is also present. Below the header, the breadcrumb trail reads 'Resources » Info & Resources'. The main heading 'Info & Resources' is highlighted in yellow. A dark sidebar menu on the left lists various options, with 'Family Access' circled in red and a red arrow pointing to it. The main content area contains the text: 'This section contains information and resources for Argyle Independent School District. Please select a page from the menu to proceed.'

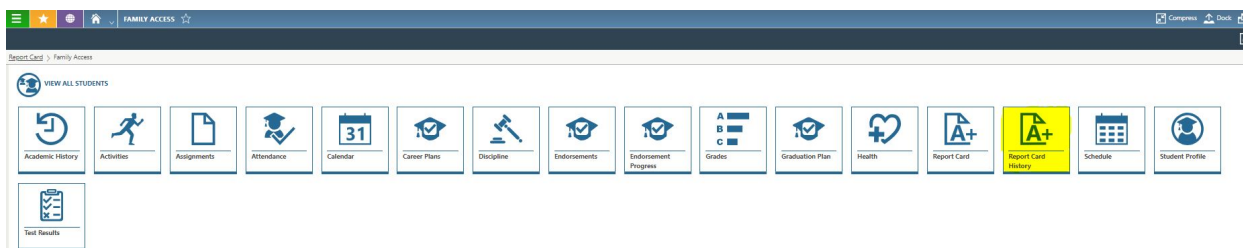

This will take you to **Family Access** login page. Using your login and password (same as when you registered for school and/or when you check grades) log into the site. *If you are having trouble logging in, scroll down to instructions for resetting your password, or accessing your username.*

Once logged into **Family Access** you will click the small down arrow next to the button that looks like a "house." Under the pop up menu, please click **Family Access**.

Once at **Family Access**, you will look for where it says **Report Card History** and click on there.

This will pull up your student's report card.
