

STUDENT HANDBOOK: STATEMENT TO PARENTS

The Lowndes County School District's Student Handbook provides important information about this school district. The handbook is available on the district website at www.lowndes.k12.ms.us. You and your child should read it carefully and become thoroughly familiar with all policies, rules, and regulations. We ask that you especially help younger children understand the contents.

To assure that you and your child have read this handbook, we ask that you sign and return this sheet, along with all other attached forms, to the school office during the first week of school.

I have read the student handbook.
