

HAHNTOWN ELEMENTARY DAILY AUTOMOBILE DISMISSAL

2018/2019

Parent(s):

Due to limited parking facilities and the congestion during dismissal, we will need to use the following dismissal procedure daily. **THIS PROCEDURE IS FOR STUDENTS BEING PICKED UP DAILY.** They need to be picked up daily at 3:40 P.M. after the last bus has pulled away from the school.

Please complete the application below for your Automobile Dismissal Cards. **You only need to fill out one per family.** When you return your application you will receive your card. Only those persons with the Automobile Card will be permitted to pick up your child. There will be a limit of one card per child. When you receive your card, it will be necessary to have it daily. You will not need to come into the building. We will dismiss all children who have automobile cards from the front office at 3:40 P.M. You need only pull up to the front of the building, show your card from your car window and we will match your card with ours and send your child to your car.
