- Recipient must be enrolled in BCISD the first day of school of their senior year and complete all coursework towards graduation in order to be eligible for the scholarship.
- Recipient must be a graduating senior of BHS or QUEST and must submit an application by Sept. 15th of the awarding year to Joni Patterson at BHS.
- The employee must be the primary care giver/custodial parent of the student.
- The employee must begin employment by the first day of the school year in which the scholarship will be awarded.

In addition, a family representative must participate in both "Major" fundraising events, one each semester, as set forth by the board, and meet all requirements as the board has deemed required. Any exception to this provision must be submitted in writing to the Committee for approval a minimum of two (2) weeks before the event.
- The recipient must attend a college, university, or vocational school to be eligible.
- The scholarship will be paid to the institution, not the individual.
- The scholarship award amount must be claimed or a written extension request filed with the Employee Scholarship Committee no later than February 1 of the year following graduation. Any unclaimed scholarships will be returned to the Employee Scholarship Fund. Any exception to this provision must be submitted in writing to the Committee for approval a minimum of two weeks before the event.
- This is a restricted scholarship. In the event the student does not attend the college or does not complete the first year, any remaining funds from this scholarship will be returned to the Burnet Consolidated I.S.D. Scholarship Fund.
- The Committee shall disqualify any scholarship award recipient who has not upheld the responsibilities set forth in the Scholarship Application.
