21400 Pathfinder Road, Diamond Bar, CA 91765

Photo/Video Letter

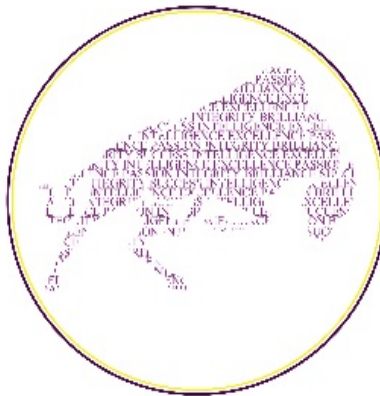

Dear Parents,

Some of the learning experiences that students have enjoyed in the past have been oral presentations and group activities. At times, these presentations and activities are videotaped. Later, students review the tape and evaluate their presentation and/or participation in the group. Occasionally the tapes have been shown for visitors to enjoy during Open House.

Also, there may be times throughout the year when our students are involved in performances which are videotaped and later shown in the classroom and/or on local cable television. Occasionally the print media may be on campus to publicize various activities at the school.

You, as a parent or guardian, have the right of refusal if you do not wish for your child to be videotaped, interviewed or photographed. In the instances of taped performances, alternate activities will be provided for your child. If you prefer that your child ***not be photographed or interviewed*** for public, school or district media, it is important that you instruct your child of your wishes and ***write to the school principal*** indicating that you **do not grant permission**. Return your letter during the Registration period, before the start of the school year.

You are required to take no action if you grant permission for your child to participate in interviews or be photographed for public, school or district media.

Please check off the appropriate box/section of the **Signature & Acknowledgement** page if you have read and understand this document.
