June 9, 2020

Dear students and parents of South Monterey County J.U.H.S.D.

As you know the COVID-19 emergency has dramatically changed this year’s fourth quarter. To accommodate the change to “Distance Learning”, we have also had to change our guidelines for grading. Normally your student would get a Third-Quarter Report Card and then at the end of the year a Second-Semester Report Card. However, to finish this school year, students in danger of failing a second semester class will receive a Fourth Quarter Report Card to be mailed the week of June 8-June 12. Approximately two weeks later all students will then receive a Second Semester Report Card. The Second Semester Report Card will reflect the performance of your student for the entire second semester. Should you have any questions please call the school.

We thank you for your understanding as we all make the necessary changes to comply with the ever changing safety guidance.

Sincerely,

Brian Walker Ed.D.
Superintendent
