New Items

- Garrett Howlett - Innovation Day is October 11th. A planning/logistics document has been shared and is a work in progress.
- YES Time
 - Option 1 - A Week (Academic)/B Week (Life Skills/Enrichment)
 - Option 2 - 1st thing in the morning (8:00-8:25)
- The team feels good about Monday-Thursdays, and will discuss with their departments the most effective time of day to have YES time and what to do on Fridays.
- Issues with athletic duties should be addressed with athletic directors or administrators. They will work with faculty to accommodate needs.
- Mack Hodges - Student Government elections will take place on Thursday, September 13th. Ninth grade elections will take place in November, and elections for the 19-20 school year will take place in May.
- Field Trip approvals need to go through Administration only. SIT will no longer approve field trips.

Kevin Joyce

- It's been a great first 2 weeks of school!
- Chromebooks will be arriving the first of October to teachers who are without them.
- September 21st - There will be a Driver's Safety event on campus - Time is TBD.

Jason Dorsett

- Upcoming weather is a concern - the football game vs. NSHS has been moved to Thursday. Mr. Dorsett will provide updates on other affected events as they unroll.
