

Institutional Scholarships

Most colleges and universities offer institutional scholarships to students. In most cases, every student who submits a FAFSA will be considered for these scholarships and most do not require a separate application. Some schools offer scholarships that do require a separate application. Check with the college to which you are applying to see the scholarships that are available. For simple reference, below are links to the scholarship pages of many colleges in Michigan.

Adrian College <http://adrian.edu/admissions/financial-aid/tuition-scholarships/>

Albion College
