

Fundraising:

Washington D.C. Field Trip

JMS Eighth Grade

- Fundraising for the D.C. Field Trip will be based on each individual student's participation. All eighth grade students will be given, at minimum, three opportunities to raise funds for their field trip.
- Each student that participates in the fundraiser will be credited the profit percentage toward their individual field trip cost. There will be no bulk fundraising efforts that are divided amongst the student group as a whole.
 - Example: Each item sold is a \$5 profit. Billy sells 10 items. Billy's field trip account is credited with \$50 (10 items x \$5 profit each). Suzi sells zero items. Suzi does not receive any credit toward her field trip account.
 - Profit information for each fundraiser will be clearly stated in the parent informational sheet accompanying each fundraiser.
- Fundraising ideas are still being finalized, but parents should expect that each opportunity will be completed no later than January 10, 2020.

Fundraising ideas:

- Little Caesar's Pizza Kits
- Catalog of gifts and food items
- Discount cards to local businesses
- Family & Friends sponsorship letter
- Candy bar sales

Students will not be required to participate in the fundraisers. However, participation may help to significantly offset the student's field trip fee.

Should you have any questions/suggestions regarding the fundraising aspect of the trip, please contact Mrs. Windels at 734-322-2310 or cwindels@jeffersonschools.org.
