NAWIC BLOCK KIDS CONTEST
Saturday, January 25, 2020 / 9:30 am - 11:00
Moline Public Library - 3210 41st Street, Moline, IL

It’s building time again! This popular program, which is sponsored by the Quad City Chapter 50 National Association of Women in Construction, encourages participants to look for creative solutions to construction challenges. Participants will receive 100 plastic building blocks, a piece of string, a small rock, and a piece of aluminum foil to create a building project in 30 minutes. The entrants will be judged by members of the Quad Cities building community. The project chosen by the judges as the most noteworthy will be entered in a regional contest. Winners at the regional level will then be entered in a national contest.

Pre-registration is strongly recommended, but if there are openings or cancellations, registrations will be taken the morning of the event. There is no fee to register. The number of applicants is limited to 40 this year, so please register early!
