

## District-Region 25 Core Performance Indicator Worksheet For 2018-19

District: Northville Public School Person Completing Worksheet: Christy Watts Date: 11/21/2018

**General Information:** CTEIS CPI data from 2016-17 used for 2018-19 District Improvement Plan, Regional Improvement Plan & Perkins Application (Derived from CTEIS Dec 2017)

If your district's % for any CPI is below **90% of the State Required %**, you must have at least one CPI Activity/Strategy to impact this CPI deficiency.

**Directions:** Note that you are to insert data & information in green sections only

1. List your district's CPI percentages in Column 6
2. If your district's percentage in Column 6 is **below** the 90% state required (Column 3), place an "X" in Column 7
3. In Column 8, state the CPI-Activity/Strategy (e.g. 1S2-1) your district will be using to impact the deficiency for this CPI
4. In Column 9, state the SMART Outcome for the Activity/Strategy in Column 8.

**NOTE:** In the public CTEIS site, an asterick (\*) means the data provided is too low to assure confidentiality, have the appropriate district CTEIS user log into the nonpublic site and run the appropriate CPI reports.

If N/P is listed, this means data was not provided. Assume the CPI is below the state requirement, place **ND** (no data) in Column 6 and then follow instructions above for Columns 7, 8 & 9.
