Aloha Moanalua Mustang Ohana,

In these challenging times, I hope you and your family are doing okay and staying healthy. Thank you again for your patience and understanding with all of the daily updates in the news media from the numerous press conferences pertaining to COVID 19. Just a reminder that our school campus is closed until April 30, 2020. Again this is the most current timeline for schools', but updates change almost daily.

Regular COVID 19 updates are available on our school's website, <https://www.moanaluumiddle.org/#>

Mahalo for your patience as we use this week (3/23-3/27) as your child's extended spring break and for our teachers to plan and collaborate with each other on what our distance learning enrichment activities will look like for our students and how we will get it out to them.

Remember that these enrichment activities provided for your child starting March 30, 2020, will not be graded towards your child's 4th quarter grade. These activities are meant to be enrichment opportunities for continued learning.

Your child's teachers will be contacting you through google classroom and/or by email regarding these activities. In the event that you do not have internet access and/or a device at home to access these online opportunities, we will be having a Grab and Go, Pack It Pick Up, on Monday, March 30, 2020, from 10 am-11 am.

As we plan for this school closure, I would like to also share some optional resources for your child to use before we return back to campus. Please consider using these resources if you need them.

- Spectrum is offering a free 60-day internet service to assist families who currently do not have Spectrum services. Please call 1-844-488-8395 to set up your free internet access.
- Click on this link: [Online Resources](#)

Please be aware that plans may change almost daily due to COVID 19. If there are any questions or concerns about this message, please send us an email on our website contacts page: <https://www.moanaluumiddle.org/apps/contact/>. Please be safe and take care. Mahalo for your continuous support.

Sincerely,

Wayne Guevara  
Principal
