

The WMS PTO is looking for new board members for the 2019-2020 school year. As some of our members move on to the high school, we are in critical need of a Secretary for next year. Members-at-large positions are also available. You do not need any previous board experience to join and remember, you are all members of the PTO already simply by having a child attend WMS!

In addition, our current President and Vice-President will conclude their time at WMS next year. It would be wonderful if we had people to either co-lead these positions or shadow in preparation for taking over for 2020-2021.

Without a PTO, Wickford Middle School would be without important enrichments such as school dances, 8th Grade Promotion Dance and the Spring Carnival. There would be no one to provide classroom grants such as graphing whiteboards, calculators, or robotics kits. And who would help count money for Turkey Trot or Pennies for Patients?

The PTO plays a vital role in WMS experience and for it to continue it needs leadership. Please reflect and consider taking on one of these roles. For more information please contact us at wickfordmiddlepto@gmail.com.
