PEDESTRIAN ROUTES FOR GEORGE ELLERY HALE CHARTER ACADEMY

Legend

- Recommended Crossing
- Stop Sign
- ⊙ Traffic Signal
- ⊗ Crossing Guard
- ⚡ Flashing Warning Light
- XXXX Stairs or Walkway
- ⌒ Pedestrian Bridge
- ⌒ Pedestrian Tunnel
- ⊞ Parks

Parents:

This map shows the recommended crossings to be used from each block in your school attendance area. Following the arrows, select the best route from your home to the school and mark it with a colored pencil or crayon. This is the route your child should take. Instruct your child to use this route and to cross streets only at locations shown. You and your child should become familiar with the route by walking it together. Obey marked crosswalks, stop signs, traffic signals and other traffic controls. Crossing points have been located at these controls wherever possible, even though a longer walk may be necessary. Instruct your child to always look both ways before crossing the street. If no sidewalk exists, your child should walk facing traffic.

Estimados Padres:

Este mapa muestra los cruzados recomendados para los peatones de cada cuadra en la area de su escuela. Siguiendo las flechas en el mapa, seleccione la ruta mas segura de su casa a la Escuela y marquelo con un lapis o tiza de color. Esta es la ruta que su hijo (a) debe de usar. Digale a su hijo (a) que use esta ruta y que cruce las calles solamente en los lugares indicados. Usted y su hijo (a) deberian de familiarizarse con esta ruta. Obedezcan los rotulos de peatones, de altos, semaforos y todos los señales de trafico. Puntos para cruzar estan localizados en areas controladas, aunque sea necesario de alargar el tiempo para cruzar. Instruye a su hijo (a) que siempre se fije de los dos lados antes de cruzar la calle. El estudiante debe de siempre caminar en la direccion opuesta del trafico si no existe una banqueta.

Pedestrian and Traffic Safety Tips

No. 2011-2

Student Safety

- Always use a crosswalk. Never cross in the middle of any street.
- Always look both ways before crossing, even if you're in a crosswalk.
- Always exit a car at the curbside only.
- The City of Los Angeles provides a walking map with the safe routes to schools within the city for elementary and middle schools which can be found at www.lausd-oehs.org.
- Walk or ride a bike (with a safety helmet) whenever possible.

Parent Tips

- When dropping students off, use a clockwise pattern around the school, if applicable.
- Texting and driving is illegal and unsafe. Drivers must concentrate on the road and not their cell phones.
- Stop when a crossing guard is in a crosswalk with a stop sign in hand.
- Slow down! Children can be unpredictable and could run out into your driving path.
- 25 MPH is the speed limit in a school zone when children are present.
