SAT and PSAT in October at Santa Ynez Valley High School canceled due to COVID-19 restrictions

College Admissions Information

The College Board has asked colleges to extend deadlines for receiving test scores and to equally consider students for admission who are unable to take the test due to covid-19. We are asking member colleges to provide flexibility to students in three ways:

- Accepting scores as late as possible in their process, especially by extending score deadlines for early action and early decision to take some pressure off students and give them more time to test and send their scores.
- Equally considering students for admission who are unable to take the test due to covid-19 as those who submitted scores. (The College Board will keep colleges up to date on testing availability).
- Recognizing that students who do submit scores may not have been able to test more than once. (e.g., taking into account that students who tested as high school juniors but who could not as seniors would have likely achieved score gains).
