Part II:

1. Over the course of the summer, consider the topics that truly interest you. Write down **3 areas of interest** you would like to pursue. It can be *any* area you want, as long as it has some kind of scholastic and academic purpose/interest.
2. Brainstorm and generate **2 possible Research Questions** for each area of interest, as well as **2-3 avenues through which you might pursue information** regarding those Research Questions, i.e. specific journals, surveys, interviews, primary source data, etc. **AND what you hope to contribute** to the academic dialogue about your topic of interest. The chart on the next pages may help you.
3. You will save the **3 charts** for Part II under the section titled **Research Brainstorming and Reflections**. There is a copy of one chart in the sample PREP at the link above for you to copy and paste into your own PREP.
