### ***Message from the Principal:***

Dear Parents,

First of all, I would like to say "Thank you" for your support during the work stoppage. I was in awe of the support we felt from our community during the days we were out of school. So many of you showed your support and we truly appreciate it! Secondly, if you are like me it was as if we just started this school year and now it is over. I love when in August our students come in wide-eyed and so unsure of themselves but they then transform right before our very eyes into confident young ladies and young men. It is such an amazing rite of passage. Also, with it comes difficult growing pains of trying to figure out who they are and who they want to become. It is so wonderful to be a small part of who they become. So parents, keep up the good work because your going to blink and right before your eyes they will be seniors! Take it all in and cherish every moment.

I would also like to share some information from the 2016-2017 school year. As you may remember from last year there were changes made to the testing standards. Regardless of the results or how we feel about testing, I am proud of the wonderful things that are going on in our classrooms at the Sixth Grade Center. Please make sure you get on our website to see the results of our students in all of our amazing schools. I feel very confident in saying that your child is getting a top notch education while in Owasso Public Schools.

This school profile will also share some very interesting demographic and community information as well that you will want to review. You are asked to visit the websites [www.EdProfiles.info](http://www.EdProfiles.info) or [www.SchoolReportCard.org](http://www.SchoolReportCard.org) if you would like to access twenty years' of school and district information.

Thank you for sharing your child with us, we wish them the very best and expect to hear about their wonderful accomplishments as they move forward with their education.

Sincerely,

Mrs. K. M. Kelsey  
Owasso Sixth Grade Center  
Principal
