## Year End Matching

If you work for a company that offers matching, many have deadlines for 2018 matches (particularly Boeing). Please submit any matching hours or donations before the end of the year.

Corporate matching gifts are an important part of our fundraising and a great way to maximize your giving to the school. Some companies match donations, others donate funds for volunteering and some do both.

If you have any questions, please contact Danielle Burgess ([burgess@sasr.org](mailto:burgess@sasr.org)) in the Development Office.

## **Thank you**

St. Anthony School would like to thank Samantha Jimenez (St. Anthony Class of '99), and both current and past family members of FACSA, for their recent donation of \$500 in memory of Samantha's husband Jerome.

Jerome was a St. Anthony Alumnus in the class of '98. Mrs. Heffron remembers Jerome this way:

*Jerome was a kind, caring and charismatic person whom classmates enjoyed being around. He was eager to learn, but at the same time enjoyed the socialization part of school. I enjoyed watching him throughout the years mature into a giving, loving and bright adult who exemplified the St. Anthony School mission statement of becoming "A joyous loving, Christ-centered person capable of serving others and bettering the world."*

*Education is not the filling of a bucket, but the lighting of a fire. -W.B. Yeats*

Because he was passionate about technology and worked at Microsoft, Samantha requested that the money be used for the Technology Program at St. Anthony School wherever it is most needed.

We are so grateful to Samantha.

## **Thank you to the Girl Scouts**
