

Meads Mill Counseling Minute

September, 2019

Meads Mill counselors are working to support our students, parents, and staff.

A New School Year!

We enjoy seeing the familiar faces of our returning students, and we are excited to welcome students who are new to Meads Mill!

New to Northville – Student Lunch Groups

Students who are new to the Northville Public Schools are invited to participate in a new student lunch group next week with the counselors. The purpose of the lunch group is to welcome you to Meads Mill, make connections with other new students, and answer questions you might have about our school. The lunch groups will meet in the think tank on the following dates for each grade level:

6th Grade: Monday, Sept. 9

7th Grade: Tuesday, Sept. 10

8th Grade: Monday, Sept. 9

Contacting the School Counselor

School counselors are available to provide support to our students during the school day. Students may set up a time to meet with his/her counselor if they need support. If parents are interested in meeting with us, please call or email your child's assigned counselor to set-up a meeting time, as we want to make sure we are able to give you the time and attention you require.

Schedule changes will not be considered after Friday, September 6th. We encourage students to get to know their teachers and classmates for a positive start to the school year.
