

Mountain Shadows Mission

To ensure that all students are presented with the opportunity to attain mastery of essential standards, develop social responsibility, and remain motivated through a teaching process that emphasizes the needs of the individual learner in a positive learning environment.

Vision

Students having fun in a positive learning environment, while fully engaged in learning. Students experiencing positive relationships with staff and peers while in a safe and secure environment. Teachers and staff alike enjoying their work environment as evidenced by collaboration, creativity and participation in extra-curricular activities.
