

ATTENTION PARENTS

On **Wednesday, May 8, 2019** your child will have the unique opportunity to participate in the **Charles R. Ross Gala Orchestra Festival**, an annual event since 1978. This event highlights the sounds of all five elementary schools playing alongside Goddard, Sandburg and the GHS Orchestras. This will be an outstanding opportunity to witness the incredible talents of Glendora's finest musicians.

To ensure the evening's success, we will have a combined rehearsal during school hours with bus transportation being provided. We need to know as soon as possible whether or not your child will be participating, so please indicate **YES or NO** below and return the lower half of this form to your child's music teacher **by April 24th**.
