

Pacific Collegiate School
CELEBRATING 20 YEARS

Celebrate and Participate!

Twenty years ago PCS's founders launched their vision of a public college-preparatory school where every student has access to Advanced Placement classes. This year, PCS celebrates all it has accomplished and looks toward a bright future of serving our community's students. The 2018–19 school year will be capped off by PCS's 20th graduation (class of 2019). Please join us in celebrating PCS as the year unfolds!

See website calendar at pacificcollegiate.com for all 2018–19 events and activities.

Share Your Creativity and School Spirit!

- Our May 23rd 20th Anniversary Choral Concert directed by Alice Hughes will feature PCS composers—alumni and current students, teachers, alumni parents and current parents. Send in your composition by mid-November, 2018, for consideration.

For more information: alice.hughes@pcsed.org.

- Enter the 20th Anniversary Art Competition incorporating the PCS wheel logo. Finalist submissions will be displayed at the Big 20th Weekend Event, May 24–26, 2019. Deadline is April 29, 2019.
