Ephesians 1:14

To Superintendent Tim Smith/Anderson Community Schools

Sisters of Sovereignty will be hosting our 5th annual teen girls retreat on (March 1st -March 2nd, 2019) Son Rise Retreat Center was sold last month which left us scrambling to find a facility to host our annual retreat. Determined not to cancel this event Church upon the Rock has graciously agreed to let us sponsor the retreat at their church 303 east 29th street Anderson, In 46016.

Sisters of Sovereignty (SOS) is a community faith based organization that believes in giving back to the community and enhancing lives of our young ladies and women alike. Our upcoming retreat will be focusing on young ladies from ages 13-18. The purpose of this retreat is to educate, encourage, support, build self-esteem, while instilling time honored principles, rules and guides there by setting the standards of conduct for future generations. Furthermore, we are asking that all applications are turned back in by February 17th, 2019 in order for us to properly prepare.

(Retreat fee is \$50 per girl) however this year our goal is to have every girl that has the desire to come attend free through sponsorship. Our theme this year is "The Making of You" (Stay Woke). Get your teen girls sign up early. We have an awesome team lined up and so much more this year.
