PALATINE-BARRINGTON

Scientists

Does your child love to experiment and ask questions about the world around them? If so, it sounds like you already have a little scientist on your hands! Snapology's Scientists program helps children explore their curiosities and cultivate a deep love for science by experiencing the different domains of scientific study. Students will engage with concepts from the fields of astronomy, earth science, biology, chemistry, and physics using LEGO® bricks and other interactive learning tools. We make science fun, exciting, and approachable at Snapology! No class 4/22.
