Early Childhood Health Assessment Record

(For children ages birth – 5)

To Parent or Guardian: In order to provide the best experience, early childhood providers must understand your child's health needs. This form requests information from you (Part I) which will be helpful to the health care provider when he or she completes the health evaluation (Part II). State law requires complete primary immunizations and a health assessment by a physician, an advanced practice registered nurse, a physician assistant, or a legally qualified practitioner of medicine, an advanced practice registered nurse or a physician assistant stationed at any military base prior to entering an early childhood program in Connecticut.

Form with fields for Child's Name, Birth Date, Address, Parent/Guardian Name, Home Phone, Cell Phone, Early Childhood Program, Race/Ethnicity, Primary Health Care Provider, Name of Dentist, Health Insurance Company/Number* or Medicaid/Number*, and insurance status questions.

* If applicable

Part I — To be completed by parent/guardian.

Please answer these health history questions about your child before the physical examination.

Please circle Y if "yes" or N if "no." Explain all "yes" answers in the space provided below.

Table with 3 columns of health history questions and Y/N response options. Includes categories like Allergies, Vision, Hearing, Developmental concerns, and Physical/Behavioral issues.

Explain all "yes" answers or provide any additional information:

Have you talked with your child's primary health care provider about any of the above concerns? Y N

Please list any medications your child will need to take during program hours:

All medications taken in child care programs require a separate Medication Authorization Form signed by an authorized prescriber and parent/guardian.

I give my consent for my child's health care provider and early childhood provider or health/nurse consultant/coordinator to discuss the information on this form for confidential use in meeting my child's health and educational needs in the early childhood program.
