

## REPORTING TO PARENTS

Each teacher will notify parents of student performance on a regular basis. Graded papers or papers with comments will be sent home a minimum of once a week in a special folder. All papers should be signed near the grade or comment and returned the next day. Papers will be sent in all areas but essentially in the basic skills areas of reading, math, writing, and science.

All students at each 4 ½ week interval will receive an interim report to be signed and returned. Parents will be notified about a sudden change in grades, attitude or performance. REPORT CARDS will be sent at the end of each regular nine-week reporting period. (See school calendar for dates).
