High School Re-Rank Form 2020-2021 School Year

Use this document to re-rank your final choices for the high school application that you submitted for the 2020-2021 school year. **YOU CANNOT ADD OR DELETE PROGRAMS FROM THE APPLICATION THAT IS CURRENTLY ON FILE.** List the program you want MOST as your first choice, the program you want next as your second choice, and so on. Please be aware that students are considered for seats in the order that the programs are listed. The student will first be considered for their top-ranked program. If they qualify, they will receive an offer and they will not be considered for any programs they listed after that choice. However, if the student does NOT qualify for a seat at their top-ranked program, they will be considered for their SECOND choice. If they qualify for a seat there, they will receive an offer and they will not be considered for any programs they listed after that choice. If the student does NOT qualify for a seat at their second choice, they will be considered for their THIRD choice, etc. Mail or hand-deliver your completed document to Office of Access and Enrollment, 42 W. Madison St., Garden Level, Chicago, IL 60602; or scan and email to appmod@cps.edu. Your form must be received in our office no later than 6 pm on February 3, 2020. If you mail your application, we highly recommend that you send it via certified mail and/or include a self-addressed, stamped envelope or postcard, which will be mailed back to you when your form is received.
