

CLASS SIZE

The governing board recognizes the relatedness of staffing goals; staff utilization, class size, effective teaching, and measures of educational output. The governing board will annually review its policy on class size with the Superintendent and relevant employee organizations in the light of adopted educational goals and evidences of extent of achievement of those goals.

The governing board will, to the extent that budgetary resources permit, establish class goals as recommended by the superintendent and staff.

GOALS

Primary Grades (K-3)	-23 students per class
Grades 4-8	-25 students per class
