

Dear Parent/Guardian,

Girl Scouts ConnectZ programming will be returning to New Millennium Academy this school year! Our program helps girls develop knowledge and skills that will prepare them for a positive future, strengthen their support network, build social skills with peers, and develop a positive relationship with caring adults. We have 5 core curriculum focus – healthy relationships and self-esteem, college and career readiness, leadership development and service learning, financial literacy, and STEM.

Your daughter(s) in grades 3-8th will have the opportunity to participate in this program **every Wednesday during their lunch period starting November 28th, 2018**. If your daughter is interested, please sign the document below to give them permission to participate in our program this school year.

Please feel free to reach out directly to me, Ia Yang, at 763-971-4048 or via email at iaong.yang@girlscoutsrv.org if you have any questions or concerns. I will be serving as the troop leader for this troop and look forward to your supporting your girl.

Best,

Ia Yang
Program Lead - ConnectZ
Girl Scouts River Valleys
Direct Line: 763-971-4048
