Lisa Cummins                      Scott B. Neilson                      Joel Wright

Sydnee Dickson, State Superintendent of Public Instruction  
Lorraine Austin, Board Secretary

August 17, 2018

Dear Charter School Administrators and Principals:

Utah schools have worked hard to increase financial literacy among students and their families, and my529, formerly the Utah Educational Savings Plan (UESP), appreciates your commitment to financial literacy education. my529 looks forward to working with your school again this year to reach more parents and guardians with this important information.

Utah Code Section 53G-10-305 requires that elementary schools provide information to parents or guardians of kindergarten students about saving for higher education, including details about opening a my529 account, during school enrollment.

Each August, my529 sends brochures to your school that fulfill the Utah requirement. my529 also supplies enough brochures for your school's entire student body and asks that they be distributed to all students.

A my529 brochure is attached. If you have questions about my529 or the elementary school brochures, please call Richard Ellis, my529 Senior Director of Compliance and Communications, at 800.418.2551, or email [rellis@my529.org](mailto:rellis@my529.org).

Thank you for enhancing the financial literacy education of Utah students and for your help in spreading the word about saving for future higher education expenses.

Sincerely,

Sydnee Dickson, Ed.D.  
State Superintendent of Public Instruction

Lynne N. Ward, CPA  
Executive Director
