In a well developed essay describe your Community Service Experience.

First, describe the agency or organization; including basic facts about who they serve, the size, and their mission and any other relevant information.

Second, tell what you did while volunteering there and what you learned about yourself. Include any successes or disappointments that you experienced. Glve specific examples of experiences.

Third, reflect further by answering the following questions: How can you apply this experience to your moral and spiritual life? What moral values did it re-inforce as important in your life? How has this experience helped you to grow spiritually (affected your relationship with God)? How has this experience helped you to see those in need as Christ sees them?

And in **conclusion** describe whether or not you would recommend this service experience to others and explain why or why not.
